#### § 60.2515

## §60.2515 What must I include in my State plan?

- (a) You must include the nine items described in paragraphs (a)(1) through (9) of this section in your State plan.
- (1) Inventory of affected CISWI units, including those that have ceased operation but have not been dismantled.
- (2) Inventory of emissions from affected CISWI units in your State.
- (3) Compliance schedules for each affected CISWI unit.
- (4) Emission limitations, operator training and qualification requirements, a waste management plan, and operating limits for affected CISWI units that are at least as protective as the emission guidelines contained in this subpart.
- (5) Performance testing, record-keeping, and reporting requirements.
- (6) Certification that the hearing on the State plan was held, a list of witnesses and their organizational affiliations, if any, appearing at the hearing, and a brief written summary of each presentation or written submission.
- (7) Provision for State progress reports to EPA
- (8) Identification of enforceable State mechanisms that you selected for implementing the emission guidelines of this subpart.
- (9) Demonstration of your State's legal authority to carry out the sections 111(d) and 129 State plan.
- (b) Your State plan may deviate from the format and content of the emission guidelines contained in this subpart. However, if your State plan does deviate in content, you must demonstrate that your State plan is at least as protective as the emission guidelines contained in this subpart. Your State plan must address regulatory applicability. increments of progress for retrofit, operator training and qualification, a waste management plan, emission limitations, performance testing, operating limits, monitoring, recordkeeping and reporting, and air curtain incinerator requirements.
- (c) You must follow the requirements of subpart B of this part (Adoption and Submittal of State Plans for Designated Facilities) in your State plan.

## § 60.2520 Is there an approval process for my State plan?

Yes. The EPA will review your State plan according to \$60.27.

# §60.2525 What if my State plan is not approvable?

If you do not submit an approvable State plan (or a negative declaration letter) by December 2, 2002, EPA will develop a Federal plan according to \$60.27 to implement the emission guidelines contained in this subpart. Owners and operators of CISWI units not covered by an approved State plan must comply with the Federal plan. The Federal plan is an interim action and will be automatically withdrawn when your State plan is approved.

## § 60.2530 Is there an approval process for a negative declaration letter?

No. The EPA has no formal review process for negative declaration letters. Once your negative declaration letter has been received, EPA will place a copy in the public docket and publish a notice in the FEDERAL REGISTER. If, at a later date, an existing CISWI unit is found in your State, the Federal plan implementing the emission guidelines contained in this subpart would automatically apply to that CISWI unit until your State plan is approved

EFFECTIVE DATE NOTE: At 76 76 FR 15470, Mar. 21, 2011, §60.2525 was revised, effective May 20, 2011. At 76 FR 28661, May 18, 2011, the amendment was delayed indefinitely. For the convenience of the user, the revised text is set forth as follows:

## § 60.2525 What if my state plan is not approvable?

- (a) If you do not submit an approvable state plan (or a negative declaration letter) by December 2, 2002, EPA will develop a federal plan according to §60.27 to implement the emission guidelines contained in this subpart. Owners and operators of CISWI units not covered by an approved state plan must comply with the federal plan. The federal plan is an interim action and will be automatically withdrawn when your state plan is approved.
- (b) If you do not submit an approvable state plan (or a negative declaration letter) to EPA that meets the requirements of this subpart and contains the emission limits in tables 6 through 9 of this subpart for CISWI
